- Annual Golf Outing – consider being a hole sponsor
- Corporate Donations
- Personal Donations through our website

Who We Serve

We provide services for children with a variety of diagnoses which include physical, neurological, sensory and cognitive disabilities.

Our Mission

Camp Sunshine is dedicated to providing children with special needs a summer camp that focuses on each child's individual goals. Developed to maintain skills learned throughout the school year, Camp Sunshine encourages retention and growth of social, academic, and daily living skills. Our program offers a safe, enjoyable learning environment for children who need specialized supports for summer camp activities.

Our Opportunities!

Camp Sunshine provides unique opportunities for learning, new friendships, and fun experiences! Our camp Peer Models help foster friendships between children who may not otherwise have this opportunity.

Our results:

We carefully measure our efforts so we can better understand, and continually improve our impact. We create an individualized program for each camper based off goals established from the camper's Individual Education plan to align with school programming. Children practice school-based skills in a fun camp like community setting so are less likely to lose skills over the summer.

Activities

- Field trips
- Swimming
